

Website Privacy Policy

Policy

Stockton Machine Company, Ltd has long recognised that individuals and other legal entities with whom we conduct business value their personal data. Modern information and communication technologies play a fundamental role in the activities of Stockton Machine Company, Ltd. It is the goal of Stockton Machine Company, Ltd to balance the benefits of technology with the right of our customers and contacts to prevent the misuse of their personal data.

The information that you provide to Stockton Machine Company, Ltd or that Stockton Machine Company, Ltd acquires about you will always be used exclusively for the purposes listed in this policy to support your customer relationship with Stockton Machine Company, Ltd. It will not be given or sold to any outside organisation for its use in marketing and solicitation.

The Collection, Processing, Transfer and Use of Personal Data

In some circumstances, Stockton Machine Company, Ltd may request personal information from you, like your name, e-mail address, company name, business address, domain names, telephone or fax numbers, purchase history and ordering information and related data (altogether the "personal data"). Your response to such enquiries is strictly voluntary. Stockton Machine Company, Ltd also collects information about you with respect to the use of this web site (the "web site"); this information is collected automatically and requires no action on your part and encompasses information as to whether you visit the web site, how often you visit and what parts of the web site you visit most often.

Stockton Machine Company, Ltd uses your personal data to improve its web-based offerings as well as for other legitimate business purposes, such as order processing and after-sales services, by means of e-mail, post, fax or by calling you. We may also use your personal data to send you further information about Stockton Machine Company, Ltd products or services (in addition to specific information which you request or which we need to send to you). We may send this information by e-mail, post, fax, or by calling you. You are free at any time to opt-out of receiving such communications in future by contacting us using the contact details given below.

In general, you can visit our web site without divulging any personal information. However, there are areas of the web site that require this information to complete their customisation functions and may not be available to those choosing not to reveal the information requested.

Disclosure to Third Parties

Stockton Machine Company, Ltd may disclose aggregate statistics about its web site visitors, customers and sales in order to describe its services to prospective partners, advertisers and other reputable third parties and for other lawful purposes, but these statistics will include no personally identifying or identifiable information. Stockton Machine Company, Ltd may disclose personal data if required to do so by law or if it believes that such action is necessary to protect and defend the rights, property or personal safety of Stockton Machine Company, Ltd or its employees, its web site or visitors to its web site. Stockton Machine Company, Ltd may also disclose personal data on the sale of the whole or any related part of Stockton Machine Company, Ltd' business and/or assets.
